

ROCKET SCIENCE REAL J&J BAG

The triathlon bag with a place for everything - Individualized compartments to help organize for training and racing so that you won't forget any essential gear.

FEATURES:

- Shoe compartment for cycling or running shoes
- Sunglasses compartment
- Mobile phone compartment
- Helmet compartment
- Waterproof zipper
- Place for identification
- There are two mesh side pockets to hold water bottles, nutrition items, and whatever else you need to have quick access to
- The bottom of the bag is waterproof - use it to store dirty and/or wet items away from clean gear and clothes

COMPOSITION: 70% TRU, 30% Nylon

- The material does not stain like other fabric. You can just wipe dirt off this bag rather than try to wash or scrub it.

PRICE \$50
