

## SYNOPSIS

The Big Bike Film Night is on a mission- bringing the best cycling short films from around the world together for you.

Showcasing our 2022 collection that has everything a cycle-centric audience could want - action, drama, humour, and plenty of inspiration; the evening is unashamedly and utterly, utterly, utterly designed and devised for the two-wheel devotee!

This year's treasure chest of films includes one rider's colourful adventure through dramatic landscapes to the illumination of hot air balloons; a small School's ambitious plan to create a sustainable way to increase students' health and well-being; three friends mission to the centre of South America on a treacherous 2500-kilometre bike and raft trip; a camp designed for female athletes to ride together and progress together; a group of young rowdies expressing their individuality through uni-cycling; a bicycle that is transformed into a work of art; a trail builders' creative expression coming to life before your very eyes; AND one man's journey from India to Germany on a tandem bike, who on his way picks up strangers to inform them about modern-day slavery; ALL in the mix!!

These short films are a great reminder of why we love to ride our bike; with stories that captivate us, stories that make us think, and most importantly of all- inspiring us to get out and ride. All celebrate the fun, adventure, and joy that cycling enables.
